

The Great Candy Pass

Supplies: 2 candies or mints per person; mints (or other wrapped hard candies - avoid those that melt) in a bag(s) or bowl(s) for each group; printed list of questions

Participants needed: Group of at least 6; multiple groups seated at separate tables will also work.

Directions: Have group (or groups) sit or stand in a circle within easy reach. Ask each participant to take 2 mints (you could increase this to 3 or 4, but they all need to take the same number). Tell them that you will be asking questions. If their answer to the question is "yes", they need to pass one piece of candy to the person on their **right**. The person with the greatest numbers of candies wins (bragging rights or a small prize). Let them eat their sweets when finished.

Note: Leaders are reporting Hershey Kisses and other wrapped chocolates do not melt when playing the game.
