High School Memories Bingo

Group size: 20 or more

Time needed: 10 minutes (1 row); 20 minutes (whole card) see notes below

Supplies need:
One copy of the bingo card for each person
One pen or pencil per person
Small prize for winner

Instructions:

1. Distribute cards and pens to everyone in attendance.

2. Say: Tonight we’re going to take a walk down memory lane – all the way back to your glorious (or not so glorious) high school years. Who remembers what their school mascot was? Who loved English? Who married their high school sweetheart? You’re going to find out the answers to those questions and more as we play our game tonight.

Your task for the next several minutes is to search the room for women who match the situations listed on your bingo card. When you find a match, ask them to put their signature in that box. Search carefully though, as you can only have each woman sign ONE box. And search quickly as the first one to fill the entire card wins a prize. Let us know your card is full by shouting “Bingo!” Grab your pens and you may start NOW!

3. Optional wrap-up ideas – Read through the items and activities listed on each square and have the women stand if it describes them OR see who can remember and sing their high school fight song.

Notes:

- If your group is smaller (40 – 20 women) have them collect 2 signatures per person.
- For a shorter game (and less mingling) have them just fill one straight row – down, across, or diagonal.
- Consider giving a cute notebook with a scripture verse on it or another “school-themed” prize to the winner.
