ENDORSEMENTS

I loved the thoughtfulness of the leaders in planning the event, the fellowship with other leaders, and the solid content that was shared throughout the weekend that I can take back to my home church and prayerfully use. – Attendee, Gather & Glean Women's Ministry Leader Retreat 2019

Just wanted to let you know how much I enjoyed and needed this conference. Friday night's message was exactly what I needed to hear... What a blessing it was to me!! –Mary Flynn, Key Keepers Conference Attendee

Cyndee's session has made me want to dive into my Bible with her study worksheet. I have had the 1st chapter of Joshua on my mind all week and have repeated "Be Strong and Courageous" to myself and others several times! – Attendee, Office Personnel Conference, Michigan District LCMSaz
